

Bayside Actors Studio

# Kid's Acting

Ages 7-10

*Beginners Welcome!*

## **Our Philosophy.** *Encourage. Enrich. Empower.*

We recognise that each and every student starts at different levels and we encourage our younger students to step out of their comfort zones through providing creative play opportunities. We strongly believe that students can build self esteem through self expression. Children are encouraged to explore basic text while building confidence to act in front of cameras. Empowering students to have the confidence to take risks and act is paramount in our teaching. The learning environment is enriched through fun and dynamic teaching styles. Children are encouraged to come out of their shell and enjoy the creative world of acting.

## **Our Curriculum.** *The Full Circle Curriculum.*

Whether you are a young performer or an adult wanting to try something new, our classes are designed to develop self esteem and confidence. This is done in a fun and supportive environment with like minded people, guided by tutors who have current industry experience both in front, and behind the camera.

### **Sandringham Studio**

48 Bay Rd Sandringham  
(All souls church)  
Wednesday 4.30 - 6pm  
\$330 per term
